OCTOBER 3, 2019**

Selectpersons present: John Marsh, Henry Nevins
Absent: Wendy Pieh
Public: Walter Voskian, Bremen Planning Board; Mary Voskian,
Bremen Town Center Project Committee; Ann Nesslage,

The meeting was called to order at 5:03 p.m.

Walter Voskian, Bremen Planning Board, advised they have two applications for their meeting next week as well as an informal discussion. They also hope to work on the revision of the building permit application.

Mary Voskian, Bremen Town Center Project Committee, advised that she submitted an application for an ASK grant in an amount up to \$2,000 for the play/recreation area portion of the Town Center Project. The Committee is proposing a celebration on 8/8/2020 opening the play area, possibly coinciding with a State bicentennial celebration.

Ann Nesslage, Bremen Conservation Commission (BCC), advised that the Commission met yesterday. They discussed the trash at the Hay property and felt it was the responsibility of a Parks and Recreation Department, as the BCC does not do maintenance. However, they are happy the public is using the dog bags at the Hay property. They are working on assorted projects to include work on the kiosks and getting together a list of Town trails for the website. The BCC recommends a stone monument be installed at the Town Spring. They also recommend removing the pallets at the Hay property. Next spring more work will be done to the Hilton O'Connor Trail at the Town Forest. The BCC is also trying to come up with ideas for the Hillside Trail. The BCC would like to update their page on the Town website. They will submit their plan for changes to the Town office.

The Town is working on LED lighting with funding through The Nature Conservancy and Efficiency Maine.

The Town received three bids for solar power and all have been thoroughly reviewed.

On a motion duly made and seconded, it was voted unanimously to accept the bid from Uprising Solar & Electrical, subject to the structural engineer's report and a Town vote.

The Town office staff has enrolled in a Maine Municipal Association Budget Workshop on Thursday, November 14 in Union. Therefore, the office will be closed on that date.

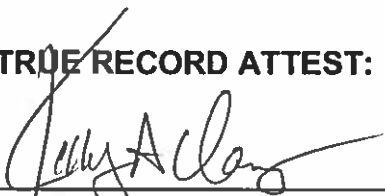

On a motion duly made and seconded, it was voted unanimously to approve the Selectmen's Meeting Minutes of 9/19/2019.

On a motion duly made and seconded, it was voted unanimously to approve the Public Hearing Minutes of 9/26/2019.
