In addition, a sketch plan must accompany this application showing dimensions and

b. **Justification of Variance:** In order for a variance to be granted, the appellant must demonstrate to the Board of Appeals that the strict application of the terms of the zoning ordinance would cause undue hardship. 1. The land in question cannot yield a reasonable return unless the variance is granted.

2. The need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood.

3. The granting of a variance will not alter the essential character of the locality.

4. The hardship is not a result of action taken by the appellant or a prior owner.

3. Violation Appeal. Relief from the decision of the Code Enforcement Officer in regard to his/her issuance of notice of noncompliant activity. Please explain in detail on a separate sheet, the details surrounding this appeal.
