Town Meeting Report. No discussion of BCC budget requests at meeting.

Announcing new BCC member Eric Snyder.

Project Review

Invasives display at town office is getting positive reviews. The goal is to educate and encourage homeowners to tackle invasives on their property.

Bob Barkalow continues his work on invasives on the Hilton O Connor trail and will proceed as the budget allows.

Picnic tables have been purchased. Waiting for field to be mowed before having them delivered.

Hilton O'Connor Trail.

June 26 Trail Work day successful. New bog bridges installed as planned.

More planned in future years.

Trail work also performed.

BCC Storage of Documents

Virginia Betts documents reviewed and will be stored in a room in town office building. Thank you Melanie for your cooperation and finding us a file cabinet.

Coastal Rivers

Joan Ray displays map of the impressive expansion of trails in Bremen that are owned/ conserved by CR. New land acquired is on or near Pemaquid Lake and Mc Curdy pond and will eventually connect to the Hillside trail and the abutting property on RTE 32.

Hay Property

1. Suggest getting advice on how to deal with significant erosion that has created gullies. CR may advise and or suggest someone who can
2. Identify and mark hazards along the land abutting the shoreline

Adjourned 5:55 pm

Respectfully submitted,
Susan Davis
