May minutes approved as amended

**Invasive Project**

Town Office display of top 5 invasive plants in Bremen. Large photos and information available. Bittersweet, Barberry, Pink Jewel weed, Multiflora rose, Knotweed,

Suggest invasives visible from town office on town land be labeled to compliment display in town office. Susie and Naomi will pursue.

**Hay Property**

Naomi, Ann, Joan Ray, Mary Berger walked the property. Observed erosion, invasive barberry and determined areas to be mowed. Sumac will be left this year. Suggest picnic table by the water.

**Hilton O'Connor trail.**

Naomi reports tree across trail needs to be removed.

More bog bridging ideally for wet areas.

Kiosk updated

Camera records wildlife and use, monitored by Naomi

**Pg 2**

**Clam Island**

S Davis reports no winter damage. First trail maintenance done

**New BCC member Eric Duffy.** Voted in by BCC and delighted to have him join BCC with his enthusiasm and expertise.

New acreage under conservation by **Coastal Rivers** . 500 acres off of Fogler Road about to be obtained 100 of which will be in conservation easement. BCC again appreciates more land be conserved in Bremen

**Thank you Melanie for suggesting storage for Virginia Betts documents**

**Picnic tables** for Hay property and Hilton O Connor trails (3) will be arranged for through Hancock lumber. S Davis will follow up since Walter is away
