

Town of Bremen  
Conservation Commission Video Conference Call  
May 7, 2025 5 pm

BCC Members Present: Ann Nesslage, chair, Susan Davis, Naomi Martin, Mary Berger  
Selectman Liaison: Wendy Pieh  
Visitors Present:  
Coastal Rivers Liaison: Joan Ray  
5:05 pm

April minutes approved as amended

**Hilton OConnor Trail**

Dog waste station is up and running and being used

Camera is being monitored and trail being used by regular dog walkers

Small trees across trails will need to be cut.

Field plantings doing well, other by marsh OK a few did not survive.

Have pictures of fish swimming up the brook inlet. Working on identification

Wet season requires more bog bridging

Picnic Tables . 2 Wooden tables will be placed in the cleared field.

**BCC email**

Would Naomi monitor? She agreed

**Invasive Project**

Bob Barkalow can start at the end of the month on HOC

Susie and Naomi will work on a display table at the town office lobby with graphics of invasives and methods of control. Goal is to interest homeowners in controlling invasives on their property

**Comprehensive Plan**

What is the status of grant requests etc? Organization?

**Solar Committee**

Would like to learn more about

### **Houseboat Legislation**

Mary Berger following. Affects our lakes etc in Bremen

### **Coastal Rivers reporting**

Focus on Bremen property, Pemaquid Pond Preserve. Acquired adjoining property and will add another trail, build new bridge and expand parking lot with help of crew from conservation corps

Request from BCC member to restore signage on Turner Road about the pull off to view the pond

### **Lead poisoning of loon**

Underscores need to switch from lead fishing gear.

### **Baseball field**

BCC supports the interest in reuse of the field,

Adjourned 5:45 pm

Respectfully submitted

Susan Davis
