BOS report

New town lawyers Amanda Meader, Justin Andros

Native Plant Display

Susie and Naomi. Will work with office for space to display this summer.

Budget approximately \$258 for materials.

HOC

Small tree down, muddy season reminds of need for new bog bridge.

Materials are in place. Brad will help with fern mowing on trails.

Nearby land behind fire station has stand of Knotweed. May need to be treated.

Easements on town property

Some properties may not be protected from sale or repurposing. If any changes in current use a town meeting and vote would be required. Residents would have the final word. BCC suggests each property be looked at individually to determine what and if legal documents are specific. These include Hilton O'Connor, Clam Island, Hay Property, Hillside, and Quaker cemetery.

BCC suggests easement education for BCC and residents.

Hart Woods

BCC is pleased with Coastal Rivers acquiring the large property on Fogler Rd. New trails, parking and events are being planned.

There will be a get together for Hart neighbors to introduce them to future plans for the area.

Deb Elliot comments on positive BCC work

Mary Berger comments on importance of resources for water quality on lakes and streams.

Melanie Pendleton offers valuable insights and resources for BCC.

June 13 Saturday 2pm is Annual Town Meeting. Voting is prior to.
